

LOSS ADJUSTING

# Inland Marine, Transportation, Heavy Equipment, & Cargo

## YOUR TRUSTED PARTNER

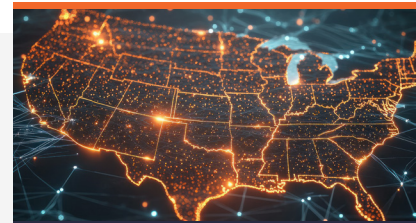

Charles Taylor provides specialized loss adjusting services for inland marine, transportation, heavy equipment, and cargo claims, delivering expert assessment and resolution for complex claims. With extensive experience in handling high-value and large-scale losses, we support insurers, reinsurers, brokers, and corporations with tailored solutions that ensure accuracy, efficiency, and fair outcomes.

### FEATURES

- Experienced adjusters with specialized industry knowledge.
- Flexible solutions tailored to the unique needs of each claim.
- Extensive U.S. and Canada coverage with local market insights.
- Streamlined processes that reduce settlement times and costs.

### BENEFITS

- Accurate claim outcomes backed by industry expertise.
- Efficient claims handling to reduce settlement times and minimize disruptions.
- Clear communication to keep insurers, reinsurers, and stakeholders informed.
- Increased satisfaction through seamless resolution for complex claims.

With over 140 years of experience and 5,000 clients nationwide, Charles Taylor is your industry-leading, trusted partner.

## INDUSTRIES

### Trucking & Freight

- Large-scale claims for cargo damage, theft, and loss in transit.
- Expertise in trucking accidents, liability, and supply chain disruptions.

### Heavy Equipment & Machinery

- Adjusting claims for damaged, stolen, or inoperable heavy machinery.
- Coverage for construction, agriculture, forestry and industrial equipment.

### Intermodal & Inland Marine

- Managing claims for rail, barge, and multimodal transport losses.
- Expertise in warehousing, port operations, and storage-related claims.

### Logistics & Supply Chain

- Support for delayed shipments, lost cargo, and contractual disputes.
- Coverage for warehousing risks, cold chain failures, and customs issues.

Expertise You Can Trust.
