

## THIRD-PARTY ADMINISTRATION

# Auto

### YOUR TRUSTED PARTNER

Charles Taylor provides tailored Third-Party Administration (TPA) solutions for auto claims, leveraging industry expertise, streamlined processes, and a client focused approach to deliver efficient, scalable claims management. Our experienced team handles all aspects of auto claims administration, from intake through subrogation recovery, assisting insurers, employers, and public entities in protecting their brand and business.

### BENEFITS

- › Faster claim resolutions with seamless FNOL processing.
- › Greater financial oversight with secure treasury management and payments.
- › Fewer delays and lower costs with expert assessments.
- › Smarter planning with analytic reporting and actionable insights.

### COVERAGE

#### Auto Liability & Property Damage

- Claims administration for bodily injury and property damage exposures.
- Managing third-party liability claims with a focus on fair, efficient resolution.
- Specializing in fleet & commercial auto programs.

#### Subrogation Recovery

- Early identification of recovery opportunities to maximize claim recoveries.
- Full service subrogation handling from investigation through settlement.

## COVERAGE

### Claims Dispute & Resolution

- Mediation, litigation support, and trial preparation for complex auto claims disputes.
- Expert oversight of arbitration and settlement processes.

### Public Entity Auto Claims

- Specialized handling of auto claims involving municipalities, school districts, and government agencies.
- Emphasis on regulatory compliance, public relations sensitivity, and cost containment.
