

CLAIMS SOLUTIONS
Property

YOUR TRUSTED PARTNER

Charles Taylor provides tailored claims solutions for commercial and residential property losses, leveraging industry expertise and a client-focused approach. Our team of experienced adjusters and claims management professionals manage a full spectrum of property claims, from large-scale catastrophic losses to mid-sized commercial claims.

BENEFITS

- Seamless First Notice of Loss (FNOL) processing for faster claim initiation and resolution.
- Treasury management with secure claims payments and financial oversight.
- Data-driven analytic reporting to enhance decision-making.
- Fewer delays and lower claims costs with expert adjusting.

SOLUTIONS

Homeowners and Commercial Property

- Claims for property damage, business interruption, and loss of use.
- Business interruption and financial recovery strategies.

Catastrophic Loss

- Large-scale property claims related to hurricanes, wildfires, earthquakes, and other disasters.
- Rapid response teams for emergency assessment and resolution.

SOLUTIONS

Construction Defect

- Rapid response and evaluations for active construction issues and repairs.
- Final damage assessments for accurate claim resolution.

Construction & Engineering

- Construction, erection all risks, and liability claims expertise.
- Managing business interruption and delay in start-up claims.

Builder's Risk

- Loss adjusting for construction defects, structural damage, and project delays.
- Coverage for commercial, residential, hospitality, education, and healthcare projects.

Inland Marine & Transportation

- Claims for trucking, cargo freight, and heavy equipment.
- Support for theft, damage, and logistics disruptions.

Claims Dispute & Resolution

- Mediation, litigation, and trial preparation for complex property claims.
- Expert guidance in appraisal and umpire services.

Business Interruption

- Assessment of financial losses from operational disruptions.
- Claims resolution for revenue loss and supply chain impacts.
