

## CLAIMS SOLUTIONS

# Liability

### YOUR TRUSTED PARTNER

Charles Taylor provides tailored claims solutions for general, professional, and product liability exposures. Our experienced adjusters and claim management professionals manage exposures of all types and severities, from complex individual losses to long-term custom programs, helping employers and payors protect their brand and business.

### BENEFITS

- Seamless First Notice of Loss (FNOL) processing for faster claim initiation and resolution.
- Secure claims payments and treasury management oversight.
- Data-driven analytic reporting to enhance decision-making.
- Fewer delays and lower claims costs with expert adjusting.

### SOLUTIONS

#### General & Product Liability

- Investigating business operations, defective products and consumer safety claims.
- Supporting risk and litigation management with third-party recovery.

#### Automobile First-Party and Third-Party Liability

- Automobile physical damage, no-fault, PIP, and med pay.
- Bodily injury and property damage claims related to personal or commercial fleets.
- Providing claims resolution, subrogation support, and cost containment strategies.

# SOLUTIONS

## Professional Liability

- Managing claims related to errors & omissions (E&O), directors & officers (D&O), and medical malpractice.
- Addressing legal liability exposures for public officials and educators.
- Supporting legal defense, financial loss assessment, and regulatory compliance.

## Cyber

- Claims related to data breaches, ransomware attacks, and cyber-related losses.
- Regulatory compliance, financial recovery, and risk assessment support.
